

HOME CARE PACKAGE PRICE LIST

from 01 September 2024

Our Home Care Packages are designed for older Australians with ongoing and complex care needs, providing tailored in-home support to help you live independently. We are committed to partnering with you to develop a personalised support plan that aligns with your life goals, ensuring the highest standard of care, delivered with respect and dignity.

Income Test Fee (ITF) - The government may impose an Income Test Fee to your Home Care Package and your reduced funding will reflect this. If this fee applies to you, you will be required to pay the ITF to 'top-up' your package. The amount of ITF will be invoiced to you at the end of each month.
